- For the safety of our registered students, all drop in students must wear a mask at this time, no exceptions.
- Adults will be in class with our registered youth dancers apart of our conservatory.
- You must pre-register on the website and Pay via the website link in order to attend the class. We advise you do this prior to the start of the classes as to not disrupt the class. If you have not paid/registered you will not be admitted to partake in the class.
- Class sizes are limited and you must pre-register in order for Us to know if we have enough room in the class.
